

# Lift SBE

Taking Print Manufacturing to New Heights

**Consumers expect a high level of confidence... Lift SBE delivers!**

## Designed With Your Business In Mind

Lift SBE is pre-configured for your market segment, allowing for a short implementation.

## Grows With Your Business

Lift SBE's full featured management system was designed for entry level business, with the ability to up-grade to Lift ERP as your business grows.

## Modern Technology for Your Modern Apps

Lift SBE can be integrated to QuickBooks and UPS/FedEx, streamlining your printing process.

## The Lift SBE Difference

At Lift Software, we are always looking for ways to elevate your print business. The team at Lift has designed a range of products to best suit your specific business' needs.

Whether you are a new print business, or already a Large Format, Corrugate, Label or Textile printer in search of the right ERP system, Lift Small Business Edition is here to help.

**Boost Your Bottom Line with Lift Software**
